## General Instructions

## Purpose of Form

Use Form 4868 to ask for 4 more months to file Form 1040A or Form 1040. You do not have to explain why you are asking for the extension. We will contact you only if your request is denied.

To get the extra time you MUST:

- Fill in Form 4868 correctly, AND

- File it by the due date of your return, AND
- Pay ALL of the amount shown on line 6.

If you already had 2 extra months to file because you were "out of the country" (explained on page 2) when your return was due, then use this form to ask for an additional 2 months to file.

Do not file Form 4868 if you want the IRS to figure your tax or are under a court order to file your return by the regular due date.

Note: An extension of time to file your 1992 calendar year income tax return also extends the time to file a gift tax return (Form 709 or 709-A) for 1992.

If the automatic extension does not give you enough time, you can later ask for additional time. But you'll have to give a good reason, and it must be approved by the IRS. To ask for the additional time, you must do either of the following:

For Paperwork Reduction Act Notice, see page 2 of form.
